

# NIRMAAN TECHNOLOGIES PRIVATE LIMITED

## LEGAL PROCEEDINGS AND LITIGATION DISCLOSURE

As of 31 March 2024

---

### 1. OVERVIEW

Nirmaan Technologies Private Limited periodically reviews legal, regulatory, contractual and other proceedings involving the Company and its operations.

The Company considers materiality, potential financial exposure, business impact and the current status of proceedings when assessing matters requiring disclosure.

### 2. MATERIAL LEGAL PROCEEDINGS

Sr. No.: 1

Matter:

Commercial Contractual Dispute

Reference:

LEGAL-XXXX-2024

Parties:

Nirmaan Technologies Private Limited

vs.

ABC Digital Solutions Private Limited

Nature of Matter:

Commercial dispute relating to contractual interpretation and payment obligations.

Date:

12 September 2023

Forum:

Commercial Dispute Resolution Mechanism

Amount Involved:

₹18,00,000

Current Status:

Matter under discussion between the parties.

Company's Position:

The Company believes that its contractual obligations have been substantially fulfilled and is pursuing resolution through appropriate contractual mechanisms.

#### Financial Exposure:

The Company does not currently expect the matter to have a material adverse effect on its overall financial position.

#### 3. TAX / STATUTORY PROCEEDINGS

Based on the information available for the reporting period, no material tax proceeding requiring separate disclosure has been identified.

#### 4. CRIMINAL PROCEEDINGS

No material criminal proceedings involving the Company or its directors have been identified for disclosure based on the information available.

#### 5. REGULATORY PROCEEDINGS

The Company maintains compliance with applicable regulatory requirements relevant to its business activities.

No material regulatory proceeding requiring separate disclosure has been identified based on the information available.

#### 6. CONTINGENT LEGAL EXPOSURE

The Company periodically evaluates potential claims, contractual disputes and other legal matters.

Where a loss is considered probable and reasonably estimable, appropriate accounting treatment is considered in accordance with applicable accounting principles.

#### 7. MANAGEMENT CERTIFICATION

Management has reviewed the legal matters identified above and believes that the disclosures provided are appropriate based on information available as of the reporting date.
